

STATE OF MS
COUNTY OF Forrest

AFFIDAVIT

Personally, came and appeared before me, the undersigned authority in and for the jurisdiction aforesaid, the within named, Crystal Dorn, who after being by me first duly sworn, on oath deposed and said the following:

1. I have personal knowledge of the facts set forth herein.
2. I am an adult resident citizen of Pearl River County, Mississippi, and I am otherwise competent to testify about the matters contained herein.
3. On, or about, October 1, 2024, a speeding citation bearing number 46403 was issued to me by an Officer with the Hattiesburg Police Department (badge number P-67) which was approved by another person named Walley, regarding a speeding violation by a black Ford F-150, license plate number PR2710. (A copy of the citation is attached hereto as Exhibit "1.")
4. This citation was sent to me via U.S. Mail, which I received in late October, 2024.
5. As I was not the driver of the vehicle cited for speeding on the day of the alleged speeding violation, and per the instructions on the citation I received in the mail, I contacted CourtPayOnline who then emailed me with a form, on Hattiesburg Police Department letterhead, to identify the responsible party. (A copy of the form is attached hereto as Exhibit "2.")
6. I informed the Help Desk, who sent me the form, that I was unable to provide this information as I did not know who was driving the vehicle at the time of the alleged violation. Between October 28, 2024 and October 31, 2024, an email conversation ensued regarding the citation, wherein I made it clear that I would be contesting the citation. (A true and correct copy of the email conversation is attached hereto as

Exhibit "D"

Exhibit "3.")

7. As can be seen in this email conversation, the representative at the Help Desk (help@courtpayonline.com) referred to the court date identified on the citation, November 25, 2024, as "*an arraignment, which will be the opportunity for you to choose from the previous options by speaking with a company representative.*" See Exhibit "3."
8. I again informed the representative that I will be contesting the citation, who then informed me that they would turn my citation over to the Municipal Court of Hattiesburg. See Exhibit "3."
9. I do affirmatively state that the email conversation attached hereto as Exhibit "3" is a true and accurate representation of the email conversation between myself and the Help Desk for courtpayonline.com.

Further Affiant sayeth not.

Ma'am,

We work directly with the Hattiesburg PD and the Hattiesburg Municipal Court. If you would like to contest your ticket, then you may do so through this email and we will turn over your information to the Municipal Court so that they can issue you a Letter of Summons. Your citation already has a Court Date of 11/25/24 for an arraignment, which will be the opportunity for you to choose from the previous options by speaking with a company representative. To forgo this, please reply back to this email that you would "Like to contest" and we will have your information turned over to the court for processing, and you will not have to take time out of your day on the 25th to appear in person. By choosing this option over email it will expedite the process.

If you do not reply to this citation, then whatever action the city decides to take on this matter will be due to your inaction.

I will not attend any "hearing" with any 3rd party representative-so unless the hearing listed on this "citation" is before an actual official MS Judge in a real court of Law/real hearing-you won't see me there. i phoned HPD earlier & a representative informed me it was with a 3rd party rep not a judge-i will not waste gas or time to contest this nonsense in person with someone who has zero legal authority over me. ZERO-because REAL tickets--have actual summons to appear under REAL JUDGES with real bench warrants/actual court if one does not pay or appear in REAL court--this racket here-is a civil matter now as far as I am concerned.

So, file with "collections" & good luck with that-i haven't entered into ANY contractual agreement with your company or used your services or committed an offense!

I will dispute it and file a complaint with the FTC in addition to the complaint i already filed with the MS SOS & other agencies.

I repeat--i have NOT committed a crime or any offense.

The burden of proof is on your 3rd party organization 🙄 to determine who was driving a vehicle i own- i assure you i CAN prove in an "actual court" of law that I was NOT me driving.

I will swear under oath in ACTUAL COURT that i do not know who was!

So, notify me when we will have "actual court"-im ready any day of the week & will be there early. i'm not paying one penny to this scam ya'll operating unless i appear before a REAL JUDGE in the State of MS-if you should find that is something we can do-please mail me an actual summons from the state of MS-until then-enjoy taking advantage of the people falling for this scam-but I-am NOT the one.
